

Northern Cross Route map 2011

Key:

Purple is **Carlisle** Leg, blue is **Northumbrian** Leg, red is **St Cuthbert's** Leg, turquoise is **Lanark** Leg and yellow is **Haddington**.

The **Family** Leg is based at Seahouses marked by the pink square/circle

Blue lollipops are where legs stop and stay overnight in church or village halls. All the Legs finish on the Holy Island of Lindisfarne (blue square/yellow circle) on Good Friday morning; and then they stay on Lindisfarne and celebrate the Easter weekend liturgies together with the island community. Northern Cross finishes after lunch on Easter Sunday.

Note: **Iona** Leg is not on this map as at 270 miles it's too long to be shown at the same scale.
